HIGHWAY DEPARTMENT SAYS TO START WORK

Contractors May Begin Any Time on Lincoln Avenue Extension

ROAD NEEDS ATTENTION

Hoped by Local People That Highway Will be Finished This Spring

Contractors Hastings and Piper are at liberty to begin work at any time now on the construction of the state road leading out Lincoln avenue extension. Orders were issued by the State Highway department to begin on April 1. So far, no move has apparently been made to get the work under way.

Hastings and Piper have the contract for the section out Lincoln avenue extension and also for the stretch of McKean avenue from First street to Maple Creek which divides Charleroi borough and Speers. They started construction last summer and were halted by the state department when winter set in. At that time they had gotten the road construction of the Lincoln avenue extension stretch well under way. When the state's orders to quit came pieces of the road were torn up and in comparatively bad shape, so that it was necessary for the borough to keep it in passable condition all winter. It is passable now, but recent slides have tended to make travel difficult.

It is the earnest desire of the local people that the road be finished as soon as possible. Another road that is claiming much attention is that known as the Speers route, leading from Charleroi to Speers. It is in about as bad condition as it is possible to be. This road is ever bad, and it is declared that there is not another road in the state that is continually in worse condition than this one is.

VAUDEVILLE BILL BEGINS TONIGHT

Headlining the vaudeville bill at the Palace Theatre which opens tonight for the balance of the week, is "The Gotham City Trio." This is a bunch of comedians that has been making good all along the circuit, and is drawing some most flattering press notices. Supplementing this number is "The Mito Duo," high class musical artists, who are among the best in their class. "Pari Green," one of the best and funniest monologists on the circuit, completes the bill. The motion picture dramas for tonight are "The War Correspondent," and "Auntie's Affinity."

TELEPHONE SOCIAL PROVES A SUCCESS

The Telephone Social given at the home of Misses Rosella and Mary Thomas Wednesday evening was the most novel affair that has been given lately. A neat sum was realized. The proceeds go to the rally which is to take place Sunday, April 13, at St. James A. M. E. church.

Salary is Increased

Rev. John R. Burson Complimented in Material Way for His Work Here

The annual congregational meeting of the Washington Avenue Presbyterian church was held in the church Wednesday evening. Dr. Edwin McKay was elected moderator and Harry L. Williams clerk. The usual routine business was transacted and every report indicated a prosperous year, each society showing a balance in the treasury. Ira L. Nickeson, S. R. Hawkins and G. M. Stewart were elected auditors, and William Gelder and H. L. Williams were elected trustees. The salary of the pastor, Rev. John R. Burson, was increased \$300 for the coming year.

OFFICERS INSTALLED

District Deputy Benham in Charge B. P. O. Elks Rites

COMPLIMENTS LODGE

District Deputy Grand Exalted Ruler William M. Benham, of Pittsburgh installed the officers of Charleroi Lodge, No. 494, B. P. O. Elks, Wednesday night. He was here accompanied by Elks from Pittsburgh, Carnegie, Monongahela, Sheraden, Knoxville, Monessen and other lodges, among the number being four exalted rulers and eight past exalted rulers. The grand lodge officers were attired in full dress and the ceremonies of installation were most impressive.

After the lodge meeting a banquet and social session took place, at which speeches were delivered, songs sung and stories told. It was one of the most enjoyable affairs ever given by Charleroi lodge.

Mr. Benham has taken a great interest in this lodge having been present at three sessions during the winter. In conversation, he said, "I consider Charleroi Lodge one of the best lodges in the district and I have found the officers very proficient. I predict a most successful year under the administration of the new exalted ruler, Mr. Hornell."

The officers for the ensuing year installed by Mr. Benham are: Exalted ruler, D. R. Hornell; esteemed leading knight, W. O. Brinham; esteemed loyal knight, A. J. Harner; esteemed lecturing knight, S. W. Sharpnack; secretary, George W. Risbeck; treasurer, T. R. Eagey; tiler, R. O. Vetter; trustee, C. W. Welner; representative to Grand Lodge, Hugh E. Fergus; alternate representative, J. B. Tussing.

Mr. and Mrs. Joseph Irose went to Pittsburgh today.

HORRORS! POLITICAL JOB TO MEAN LABOR

Some Knowledge of Work Necessary Before a Man Gets Postoffice Henceforth Says Postmaster General Burleson

Political preference postmasters' second class offices of the country are to be held strictly accountable for the time and personal attention they give their official duties. The business of being postmaster at \$2,000 or \$5,000 or more a year and letting subordinates do all the work, while the postmaster engages his time and attention at a double job, won't pass with the new postmaster general, who is a Democratic gentleman of considerable firmness.

The postmaster general in making recommendations for appointment to first and second class offices will require in addition to the usual qualifications an assurance from the applicant that his whole business time will be devoted to the duties of the position.

POSTOFFICE FORCE BUSY

Quarterly Report Shows Much Business Done First Part of Year

PARCEL POST POPULAR

With the parcel post service in Charleroi increased one-third and with the regular business up to the standard the third fiscal quarter year at the Charleroi postoffice was a busy one. The institution of the parcel post system dates from January.

According to the report of Postmaster J. E. McCordle the total receipts for the quarter were \$4,542.74 and the disbursements \$3,194.64 leaving a clear profit of \$1,358.10. The receipts and disbursements by months for the quarter are as follows:

	Receipts	Disbursements
January	\$1,553.01	\$950.39
February	1,545.44	971.19
March	1,444.29	1,273.06

Total \$4,542.74 \$4,194.64

Though no record was kept as to the number of packages handled under the parcel post law during the quarter the receipts evidence an increase one third during March over that of February and one-fourth over the record of January.

Instructions have been issued by the postoffice department to the postmasters to keep track of their parcel post service for one week beginning next Monday. This will probably be for the purpose of giving the department an opportunity to form some estimate of the total increase.

Card of Thanks.

We wish to tender our thanks to friends and neighbors who so kindly lent their assistance at the time of the death of our husband and father. The kindly words of sympathy will long be remembered. May God bless them one and all.

CONTRACT WORTH CLOSE TO \$7,000

North Charleroi Street to be Paved by Contractor Thomas Arrigo

ORDINANCE FOR SEWERS

Approximating \$7,000 a contract for grading and paving Fourth street in North Charleroi from the west side of the school property to Conrad avenue has been awarded to Thomas Arrigo of Charleroi. The Donora Construction company was the only other bidder.

Paving work to be done will be in extent about three blocks. Fourth street is probably the best residential street on the hill in North Charleroi and the improvement is needed. Contractor Arrigo will probably start on the work within ten days. At present he is just beginning grading on a large Charleroi contract.

An ordinance has been passed by the North Charleroi council and is being printed today for the sewerage of the hill district of North Charleroi. Bids for this work are being advertised for to be opened on April 28. Like the paving contract this will be a big job that will approximate an expenditure by the municipality of \$6,000 or \$7,000.

DAUGHTER OF FORMER CONGRESSMAN WEDDED

Miss Elizabeth Acheson, daughter of former Congressman and Mrs. Ernest F. Acheson of Washington, and Alexander M. Donnan, of Washington were married on Tuesday evening at the home of the bride's parents. The bride is a graduate of the Washington Seminary and of an Eastern finishing school. Mr. Donnan was graduated from Washington and Jefferson college and completed a law course in Harvard University. He recently was admitted to the Washington bar.

Speers Man Lands Job of Furnishing School in Competition at California

Award was made of a contract for the furnishing of the new California school building by the school board of that borough on Tuesday to the New Jersey School Furniture company, a firm represented by C. K. Chalfant of Speers. The contract was awarded from among five bidders who submitted bids and showed samples. The contract is regarded as an important one.

Solid cherry of the most up-to-date make is to be used in the recitation rooms and the principal's office, directors' room and teachers' room will be furnished in mahogany.

The new California building is a beautiful structure. It will contain ten recitation rooms, a principal's office and directors' and teachers' rooms.

HAS NEED OF SCHOOL

Monessen Proposes Bond Issue of \$150,000 to Provide Funds

PLANS TWO BUILDINGS

That a new school building is essential ever two or three years in Monessen, as stated some time ago in the Mail has been proven. The school board of that municipality is considering the feasibility of holding a special election on May 13 on the proposal to bond the school district to the extent of \$150,000 for the purchase of a site and the erection of a high school building in the second ward and to provide sufficient funds also for a new building in the section formerly known as McLahan borough.

Owing to the enormous birth rate in this new community Monessen is grappling almost continually with the problem of overcrowded schools. A new school building was finished not so many months ago. Two years is sufficient to crowd it to its limit. At the present time temporary quarters are being provided. Taking the birth rate into consideration there will be from 500 to 600 new pupils to provide school room for at the beginning of the next school term and then Monessen will be up against it properly.

It was the original intention to locate the High School on McKee but the objection has been raised that to erect a building there it would require an unusually high wall on the lower side, so steep is the grade. Other sites have been suggested.

New Primary Bill Introduced in Upper Body of Legislature.

HOUSE STICKS TO WORK

Stays With Work Over Friday While Happy-Go-Lucky Senators Depart

Harrisburg, April 10—Determined to try to head off independent voting and preserve the old party machinery, the senate has brought out a primary election bill that places restriction and upon independents and new parties that is practically prohibitive. New parties must organize before January 1, in even numbered years, when the primary is on the second Tuesday of April and before June 1, in even numbered years, when the primary is to be on the second Tuesday of September. Before that time they may preempt party names but in order to do so, must obtain the signatures of voters constituting three per cent of the largest vote cast for any officer in the district at the preceding election. The petition would have to be accompanied by the affidavit of three qualified electors, to the effect that they personally witnessed the signatures of all the petitioners and vouched for their qualifications as signers.

Instead of requiring that complaint must be made against such a petition to invalidate it, as at present the new bill requires the Dauphin county court to hold a hearing within 15 days after the filing of the petition, at which the petitioners must go to the expense of having witnesses present whether they are under attack or not. Immediately after the time is granted, the party must organize by the election of a state chairman and county chairman, where necessary.

Another provision which conceals a snake is in that clause which prevents candidates from withdrawing from the ticket within 15 days before a primary without the consent of the party committee by a two-third vote. Candidates of new parties under patent of the Dauphin county court, could not withdraw without the consent of two-thirds of the signers of their papers. This is to prevent fusion, by a coalition at the primary. A similar result is aimed at by another provision, which has more to commend it, namely that a candidate would have to declare himself a member of the party whose nomination he seeks. This is to prevent the theft of party nominations by members of opposing parties. No candidate under this rule could have his name on two tickets.

The privilege of delegates to have the names of candidates they will support in conventions printed after their names on primary ballots is also eliminated by the proposed new senate bill. It was this privilege, which was decided by the Washington county court last year, that caused the sweep of the Roosevelt delegates in Pennsylvania at the primaries and captured the Republican state convention from the old machine. If the bill shows any signs of being able to pass, there will be a wide-spread Continued on second page.

WHY HOLLER?

Some of the Republican newspapers, notably the Gazette Times of Pittsburg, is putting up a "holler" because President Wilson has called a special session of congress for the purpose of revising the tariff downward in order to relieve the burden that is falling too heavily on the consumers. To a man up a tree it looks as though the Gazette Times has but little idea of the propriety of things, as the Democratic national platform was pledged specifically to do just what is being undertaken in the way of tariff revision, and President Wilson was elected with the express understanding on the part of the voters that he sees that the pledges are carried out. More than that, the Republican party, of which the Gazette Times is an organ, was pledged to revise the tariff downward, as well as President Taft, and a failure to redeem these pledges is what resulted in the disastrous and overwhelming defeat of the Republican party last November at the polls.

In view of existing conditions it looks as though the "holler" that is going up over the proposed revision of the tariff is in the interest of special privileges. There is not the slightest doubt but what the people want the tariff revised downward. The Republican party recognized this demand and promised to meet it. It repudiated its promises in the interests of special privileges, and in turn was repudiated by the people at the polls. There is no occasion for any of the Republican or any other newspapers to "holler" over the proposed tariff reductions. The Democratic party promised to make these reductions, was placed in power for that express purpose, and it would be recreant to its trust if it failed to carry out its solemn pledges.

UP TO THE GRAND JURY.

One of the obstacles in the way of cleaning a town out of alleged gambling places, disorderly houses and other unlawful resorts is lack of sufficient evidence to convict. The difficulty is getting circumstantial evidence is what remains local officials and citizens from entering court proceedings in most cases, as without direct and conclusive evidence the prosecutor stands a chance of getting stuck for the costs. For this reason many unlawful resorts continue and by exercising the proper amount of care and vigilance are permitted to operate uninterrupted, to the general demoralization of the whole community.

It may not be generally known that there is a way to most effectively put a stop to this unlawful procedure, even when no direct evidence is attainable, and this is to hale the suspected parties before the grand jury. This can be done when certain persons are under suspicion. They can be summoned before the grand jury where under fire of examination and "sweating" something or other is pretty sure to leak out. When several are examined by the grand jury on the same charges and each one put through the various "degrees" separately, enough evidence to make out a case is pretty sure to follow.

This process was carried out in Adams county, Ohio, where wholesale bribe giving and taking had been carried on in the various elections. Electors were haled before the grand jury by wholesale "on suspicion," and before many had been examined enough of the truth had leaked out to incriminate scores, who were indicted and prosecuted. If the people of any community have good reason to suspect certain persons are conducting unlawful resorts, the suspected can, through the agency of the district attorney's office, be summoned before the grand jury to tell what they know about it. This method can be made as effective as direct action in prohibiting such evil.

That set of Congressmen that believes in tariff for revenue only has nothing on most of the "big business" concerns, which believe in increasing wages for revenue only.

While the house will remain in session over Friday, the senate voted to adjourn as usual on Thursday. All the important bills passed by the house are still reposing in the senate committees, and the indications are that the house will make no effort to agree on a time for adjournment until the senate shows some signs of doing something with the important bills passed by the house. The latter body does not propose to see the measures die in senate committees if it can help it.

J. A. Wilson and company undertaking, 608 Fallowfield avenue. Open day and night. All calls answered promptly and attended personally by J. A. Wilson. Bell phone 32-R. A-28

In consideration of the approaching Arbor Days designated by Governor Tener, one of which occurs tomorrow, April 11, and the other on April 25 as well as the present gift of cherry trees to the boys of Charleroi by J. K. Johnston, the following as to how to make a tree grow may be timely. The information is given in a bulletin issued by Prof. H. A. Surface, state zoologist, of Harrisburg.

"Replying to inquiries as to how to plant a tree correctly, I can say first you should have a vigorous young tree, to start growth well. I prefer one-year-old trees in the fruit line, and certainly nothing older than three-year-old trees, even for shade purposes. The top should be pruned back considerably at the time of planting. The long or broken roots should be pruned off, leaving the stubs not more than six inches in length. The roots should be kept damp from the time the tree is removed from the ground until the transplanting is completed. To do this it is a good plan to plunge them into a vessel of mud, so as to puddle or cover them with mud, or cover them with a damp cloth to keep sun and wind from them before planting.

"Dig a hole two or three feet across. Make it deep enough that some good top ground can be put in the bottom of the hole and the tree stand on this, and be not more than three inches lower than it formerly grew. If you come to rocks or poor soil or clay remove these, so the hole can be properly deepened. Fill it with good earth tramped in firmly so that the tree will stand on this and be firm after the planting is completed. Spread the roots in different directions. Incline the tree five or ten degrees toward the prevailing wind, if it is in a region where the wind will strike it with force. Be sure that it will not be planted more than three inches deeper than it formerly grew. Less than this is generally sufficient.

"Again, if there are places beneath the roots where these do not touch the soil, work good earth under them with the hands. Then put good soil over the roots to a depth of about two or three inches. Use no manure or fertilizer in contact with the roots. Tramp this earth as firmly as can be done with the feet. Success in making a tree grow depends upon this firm tramping with good soil that is not wet enough to cake or become hard, and also not too dry.

"After this fill in the hole with good top earth, not using red clay nor stones. It is all right to put stones over the top of the ground after the planting is completed, filling to about the level of the ground, but do not tramp it again, and do not use water at any time, unless it be after the final refilling. If water is used be careful not to tramp or pack it in the least after it is wet."

PITTSBURGH

THE IMPORTANT SHIRT WAIST

The most essential costume for any woman is a perfectly made Tailored Suit, and Shirt Waist of either silk or durable wash fabric, with a distinctive "Suit Hat."

With the smart coat suit and lingerie or silk waist that harmonizes with the coloring of the suit, and a "chic," severe hat to match, she is appropriately dressed for shopping and every day wear. With a costume blouse of silk and chiffon, elaborated with lace or touches of colored embroidery, set off by a more Dressy Hat, she turns her tailored suit into a costume for afternoon teas and bridges.

We are showing a number of models in Blouses that are adaptations of the very latest European styles, as well as many of our own ideas; dainty, sensible and smart-looking; most desirable materials, clever combinations in trimmings, perfect workmanship and unequalled value, combined with absolutely authentic styles.

Lingerie Waists of batiste and voile, trimmed with Valenciennes, Irish or French lace. High and low neck models with long or three-quarter sleeves.

\$2.00

Lingerie Waists made of voile and French mull. Trimmed with Valenciennes and Irish lace; also fine tucks, and elaborated with hand embroidery. Long and three-quarter sleeve models.

\$3.00

Silk Chiffon Waists with surplus front, net and shadow lace yoke and shadow lace cuffs. Front trimmed with Nelt rose or corsage. Short sleeve model. Colors—navy, grey and Copenhagen.

\$6.50

Smart Styles For Spring and Summer

In Ladies and To the Woman Who Wants Fashionably Tailored Garments

While our Easter business for men's suits has by far outlasted all the other departments, our ladies department has been over all expectations, with which proves absolutely that men and women alike recognize the merit of a perfect hand tailored suit.

Fit that is perfect, for I use the best designing and fitting system available.

Quality that is far above the average, for I use only the finest imported and domestic fabrics.

Price that will pleasantly surprise you by its moderation.

The Clothes I make for men are just as good in their way, as my tailored garments for women.

WOMAN A GREAT SUFFERER

Tells How She Was Restored
To Health by Lydia E.
Pinkham's Vegeta-
ble Compound.

Grayville, Ill.—"I was a great sufferer of female complaints for a year and I got nothing that helped me until I began taking Lydia E. Pinkham's Vegetable Compound. I was irregular and had cramps so bad that I had to go to bed. Now I have better health than I have had for years and I cannot speak too highly of your medicine."—Mrs. JESSIE SCHAAER, 413 Main St., Grayville, Ill.

Case of Mrs. Tully.
Chicago, Ill.—"I take pleasure in writing to thank you for what Lydia E. Pinkham's Vegetable Compound has done for me. I suffered with such awful periodic pains, and had a displacement, and received no benefit from the doctors. I was advised to take Lydia E. Pinkham's Vegetable Compound, and am now as well as ever."—Mrs. WILLIAM TULLY, 2052 Ogden Avenue, Chicago, Ill.

If you have the slightest doubt that Lydia E. Pinkham's Vegetable Compound will help you, write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass., for advice. Your letter will be opened, read and answered by a woman, and held in strict confidence.

HIGHWAY DEPARTMENT SAYS TO START WORK

Contractors May Begin Any Time on Lincoln Avenue Extension

ROAD NEEDS ATTENTION

Hoped by Local People That Highway Will be Finished This Spring

Contractors Hastings and Piper are at liberty to begin work at any time now on the construction of the state road leading out Lincoln avenue extension. Orders were issued by the State Highway department to begin on April 1. So far, no move has apparently been made to get the work under way.

Hastings and Piper have the contract for the section out Lincoln avenue extension and also for the stretch of McKean avenue from First street to Maple Creek which divides Charleroi borough and Speers. They started construction last summer and were halted by the state department when winter set in. At that time they had gotten the road construction of the Lincoln avenue extension stretch well under way. When the state's orders to quit came pieces of the road were torn up and in comparatively bad shape, so that it was necessary for the borough to keep it in passable condition all winter. It is passable now, but recent slides have tended to make travel difficult.

It is the earnest desire of the local people that the road be finished as soon as possible. Another road that is claiming much attention is that known as the Speers route, leading from Charleroi to Speers. It is in about as bad condition as it is possible to be. This road is ever bad, and it is declared that there is not another road in the state that is continually in worse condition than this one is.

VAUDEVILLE BILL

BEGINS TONIGHT

Headlining the vaudeville bill at the Palace Theatre which opens tonight for the balance of the week, is "The Gotham City Trio." This is a bunch of comedians that has been making good all along the circuit, and is drawing some most flattering press notices. Supplementing this number is "The Milo Duo," high class musical artists, who are among the best in their class. "Pari Green," one of the best and funniest monologists on the circuit, completes the bill. The motion picture dramas for tonight are "The War Correspondent," and "Auntie's Affinity."

TELEPHONE SOCIAL

PROVES A SUCCESS

The Telephone Social given at the home of Misses Rosella and Mary Thomas Wednesday evening was the most novel affair that has been given lately. A neat sum was realized. The proceeds go to the rally which is to take place Sunday, April 12, at St. James A. M. E. church.

Salary is Increased

Rev. John R. Burson Complimented in Material Way for His Work Here

The annual congregational meeting of the Washington Avenue Presbyterian church was held in the church Wednesday evening. Dr. Edwin McKay was elected moderator and Harry L. Williams clerk. The usual routine business was transacted and every report indicated a prosperous year, each society showing a balance in the treasury. Ira L. Nickeson, S. R. Hawkins and G. M. Stewart were elected auditors, and William Gelder and H. L. Williams were elected trustees. The salary of the pastor, Rev. John R. Burson, was increased \$300 for the coming year.

OFFICERS INSTALLED

District Deputy Benham in Charge B. P. O. Elks Rites

COMPLIMENTS LODGE

District Deputy Grand Exalted Ruler William M. Benham, of Pittsburgh installed the officers of Charleroi Lodge, No. 494, B. P. O. Elks, Wednesday night. He was here accompanied by Elks from Pittsburgh, Carnegie, Monongahela, Sheraden, Knoxville, Monessen, and other lodges, among the number being four exalted rulers and eight past exalted rulers. The grand lodge officers were attired in full dress and the ceremonies of installation were most impressive.

After the lodge meeting a banquet and social session took place, at which speeches were delivered, songs sung and stories told. It was one of the most enjoyable affairs ever given by Charleroi lodge.

Mr. Benham has taken a great interest in this lodge having been present at three sessions during the winter. In conversation, he said, "I consider Charleroi Lodge one of the best lodges in the district and I have found the officers very proficient. I predict a most successful year under the administration of the new exalted ruler, Mr. Hornell."

The officers for the ensuing year installed by Mr. Benham are: Exalted ruler, D. R. Hornell; esteemed leading knight, W. O. Brinham; esteemed loyal knight, A. J. Harner; esteemed lecturing knight, S. W. Sharpnack; secretary, George W. Risbeck; treasurer, T. R. Eegye; tiler, R. O. Vetter; trustee, C. W. Weltner; representative to Grand Lodge, Hugh E. Fergus; alternate representative, J. B. Tussing.

Mr. and Mrs. Joseph Irose went to Pittsburgh today.

HORRORS! POLITICAL JOB TO MEAN LABOR

Some Knowledge of Work Necessary Before a Man Gets Postoffice Henceforth Says Postmaster General Burleson

Political preference postmaster's second class offices of the country or postmasters who hold their jobs are to be held strictly accountable for the time and personal attention of innocuous desuetude, if they give their official duties. The business of being postmaster at \$2,000 or \$5,000 or more a year and letting subordinates do all the work, while the postmaster engages his time and attention at a double job, won't pass with the new postmaster general, who is a Democratic gentleman of considerable firmness.

The postmaster general in making recommendations for appointment to first and second class offices will require in addition to the usual qualifications an assurance from the applicant that his whole business time will be devoted to the duties of the position.

POSTOFFICE

FORCE BUSY

Quarterly Report Shows Much Business Done First Part of Year

PARCEL POST POPULAR

With the parcel post service in Charleroi increased one-third and with the regular business up to the standard the third fiscal quarter year at the Charleroi postoffice was a busy one. The institution of the parcel post system dates from January.

According to the report of Postmaster J. E. McCordie the total receipts for the quarter were \$4,542.74 and the disbursements \$3,194.64 leaving a clear profit of \$1,358.10. The receipts and disbursements by the months for the quarter are as follows:

	Receipts	Disbursements
January	\$1,553.01	\$950.39
February	1,545.44	971.19
March	1,444.29	1,273.06

Total \$4,542.74 \$4,194.64

Though no record was kept as to the number of packages handled under the parcel post law during the quarter the receipts evidence an increase one third during March over that of February and one-fourth over the record of January.

Instructions have been issued by the postoffice department to the postmasters to keep track of their parcel post service for one week beginning next Monday. This will probably be for the purpose of giving the department an opportunity to form some estimate of the total increase.

Card of Thanks.

We wish to tender our thanks to friends and neighbors who so kindly lent their assistance at the time of the death of our husband and father. The kindly words of sympathy will long be remembered. May God bless them one and all.

Mrs. Alfred Hale and Family.

CONTRACT WORTH

CLOSE TO \$7,000

North Charleroi Street to be Paved by Contractor Thomas Arrigo

ORDINANCE FOR SEWERS

Approximating \$7,000 a contract for grading and paving Fourth street in North Charleroi from the west side of the school property to Conrad avenue has been awarded to Thomas Arrigo of Charleroi. The Donora Construction company was the only other bidder.

Paving work to be done will be in extent about three blocks. Fourth street is probably the best residential street on the hill in North Charleroi and the improvement is needed. Contractor Arrigo will probably start on the work within ten days. At present he is just beginning grading on a large Charleroi contract.

An ordinance has been passed by the North Charleroi council and is being printed today for the severing of the hill district of North Charleroi. Bids for this work are being advertised for to be opened on April 23. Like the paving contract this will be a big job that will approximate an expenditure by the municipality of \$6,000 or \$7,000.

DAUGHTER OF FORMER CONGRESSMAN WEDDED

Miss Elizabeth Acheson, daughter of former Congressman and Mrs. Ernest F. Acheson of Washington, and Alexander M. Donnan, of Washington were married on Tuesday evening at the home of the bride's parents. The bride is a graduate of the Washington Seminary and of an Eastern finishing school. Mr. Donnan was graduated from Washington and Jefferson college and completed a law course in Harvard University. He recently was admitted to the Washington bar.

Speers Man Lands Job of Furnishing School in Competition at California

Award was made of a contract for the furnishing of the new California school building by the school board of that borough on Tuesday to the New Jersey School Furniture company, a firm represented by C. K. Chalfant of Speers. The contract was awarded from among five bidders who submitted bids and showed samples. The contract is regarded as an important one.

Solid cherry of the most up-to-date make is to be used in the recitation rooms and the principal's office, directors' room and teachers' room will be furnished in mahogany.

The new California building is a beautiful structure. It will contain ten recitation rooms, a principal's office and directors' and teachers' rooms.

HAS NEED OF SCHOOL

Monessen Proposes Bond Issue of \$150,000 to Provide Funds

PLANS TWO BUILDINGS

That a new school building is essential ever two or three years in Monessen, as stated some time ago in the Mail has been proven. The school board of that municipality is considering the feasibility of holding a special election on May 13 on the proposal to bond the school district to the extent of \$150,000 for the purchase of a site and the erection of a high school building in the second ward and to provide sufficient funds also for a new building in the section formerly known as McMahan borough.

Owing to the enormous birth rate in this new community Monessen is grappling almost continually with the problem of overcrowded schools. A new school building was finished not so many months ago. Two years is sufficient to crowd it to its limit. At the present time temporary quarters are being provided. Taking the birth rate into consideration there will be from 500 to 600 new pupils to provide school room for at the beginning of the next school term and then Monessen will be up against it properly.

It was the original intention to locate the High School on McKee but the objection has been raised that to erect a building there it would require an unusually high wall on the lower side, so steep is the grade. Other sites have been suggested.

New Primary Bill Introduced in Upper Body of Legislature

HOUSE STOPS TO WADE

Stays With Work Over Friday While Happy-Go-Lucky Senators Depart

Harrisburg, April 10—Determined to try to head off independent voting and preserve the old party machinery, the senate has brought out a primary election bill that places restriction and upon independents and new parties that is practically prohibitive. New parties must organize before January 1, in even numbered years, when the primary is on the second Tuesday of April and before June 1, in even numbered years, when the primary is to be on the second Tuesday of September. Before that time they may preempt party names but in order to do so, must obtain the signatures of voters constituting three per cent of the largest vote cast for any officer in the district at the preceding election. The petition would have to be accompanied by the affidavit of three qualified electors, to the effect that they personally witnessed the signatures of all the petitioners and vouched for their qualifications as signers.

Instead of requiring that complaint must be made against such a petition to invalidate it, as at present the new bill requires the Dauphin county court to hold a hearing within 15 days after the filing of the petition, at which the petitioners must go to the expense of having witnesses present whether they are under attack or not. Immediately after the time is granted, the party must organize by the election of a state chairman and county chairman, where necessary.

Another provision which conceals a snake is in that clause which prevents candidates from withdrawing from the ticket within 15 days before a primary without the consent of the party committee by a two-thirds vote. Candidates of new parties under patent of the Dauphin county court, could not withdraw without the consent of two-thirds of the signers of their papers. This is to prevent fusion, by a coalition at the primary. A similar result is aimed at by another provision, which has more to commend it, namely that a candidate would have to declare himself a member of the party whose nomination he seeks. This is to prevent the theft of party nominations by members of opposing parties. No candidate under this rule could have his name on two tickets.

The privilege of delegates to have the names of candidates they will support in conventions printed after their names on primary ballots is also eliminated by the proposed new senate bill. It was this privilege, which was decided by the Washington county court last year, that caused the sweep of the Roosevelt delegates in Pennsylvania at the primaries and captured the Republican state convention from the old machine. If the bill shows any signs of being able to pass, there will be a wide-spread

Kids, Do You Want to Win a Prize?

HELLO kids! Come see what we are doing. We've been painting lots of things for Mother and making them look nice with LAWRENCE PAINT but to-day we're just going to play.

"We're painting our pictures on the old back fence and we think they look just like us, too. Don't you?"

"Could you draw us as well as that? We're going to give ten prizes to the kids that make the best pictures of us so get your pencils and paints and begin."

"Here are the prizes:

\$5 for the best picture

\$2 for the third best picture

\$3 for the second best picture

\$1 each for the 7 next best pictures

"All you have to do is to cut the label off a can of LAWRENCE PAINT, paste it on your picture and send it in to us."

"Better begin now. Draw any of our pictures out of the papers and show them to your Mother or Daddy. They'll be glad to buy a can of LAWRENCE PAINT so you can get the label and try for a prize."

Let the Children Try for a Prize

Here Are the Rules of the Contest

Any child is entitled to compete.

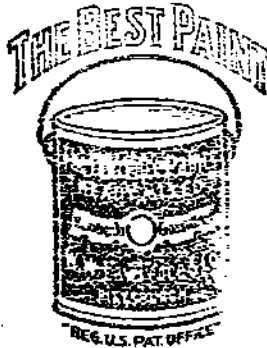

Make a picture of the Lawrence Kids.

Draw any of the pictures that appear in this paper.

Do not trace the picture.

Make the drawing and do the painting without help from any other person.

Take plenty of time and do the work well.

Remember, neatness counts as much as ability to draw.

When your picture is finished cut the label off a can of LAWRENCE PAINT and paste it on your drawing. Then send the whole thing to us. No drawing will be considered unless the label is attached.

The drawings will all be judged carefully and the prize winners announced in this paper at the close of the contest.

BOWERS HARDWARE CO.
CHARLEROI, PA.

ORDINANCE NO. 53

An ordinance authorizing and providing for the laying, building and maintaining of public sewers and branches on certain streets in the borough of North Charleroi, specifying the several sizes and directing the burgess to advertise for bids for the construction thereof.

Be it ordained and enacted by the Burgess and Town Council of the Borough of North Charleroi and it is hereby ordained and enacted by authority of the same:

Section I.

That the Burgess is hereby authorized and instructed as required by the several ordinances of the Borough, to advertise for and receive proposals for the construction of a sanitary sewer, which is herein authorized to be laid upon the several streets and alleys hereinafter specified, in accordance with the plans and specifications of the Borough Engineer to be first approved by the Burgess and Town Council and to enter into contract in conjunction with Council with any responsible party, parties or corporation, such being the lowest and best bidder or bidders for said construction, who shall first give security to do the work in strict conformity to said plans and specifications of said Borough Engineer and under his direction and supervision.

Section II.

The sanitary sewer herein authorized to be constructed, together with its branches, shall be laid on and under the following several streets and alleys between the points herein designated and shall be of the several dimensions herein particularly provided:

Lock Street for its entire length 300 feet of 12 inches in diameter.

PITTSBURGH

THE IMPORTANT SHIRT WAIST

The most essential costume for any woman is a perfectly made Tailored Suit, and Shirt Waist of either silk or durable wash fabrics, with a distinctive "Suit Hat."

With the smart coat suit and lingerie or silk waist that harmonizes with the coloring of the suit, and a "chic" severe hat to match, she is appropriately dressed for shopping and every day wear. With a costume blouse of silk and chiffon, elaborated with lace or touches of colored embroidery, set off by a more Dressy Hat, she turns her tailored suit into a costume for afternoon teas and bridges.

We are showing a number of models in Blouses that are adaptations of the very latest European styles, as well as many of our own ideas; dainty, sensible and smart-looking; most desirable materials, clever combinations in trimmings, perfect workmanship and unequalled value, combined with absolutely authentic styles.

Lingerie Waists of batiste and voile, trimmed with valenciennes, Irish or fancy lace. High and low neck models with long or three-quarter sleeves.

Lingerie Waists made of voile and French mull. Trimmed with valenciennes and Irish laces; also fine tucks, and elaborated with hand embroidery. Long and three-quarter sleeve models.

Silk Chiffon Waists with surplus front, net and shadow lace yoke and shadow lace cuffs. Front trimmed with Nell rose or corse. Short sleeve model. Colors—navy, grey and Copenhagen.

In The Springtime

of youth men should sow the seed of economy that they may enjoy the fruit therefrom during the winter of old age. And the success of the harvest depends upon the cultivation of the crop—eternal vigilance in curtailing extravagant luxuries is required.

A savings account will encourage thrift and is the most feasible plan for the wage earner in building up a competency for old age.

NEVER SUCH A REMEDY FOR PILES

It will only cost any sufferer 25 cents to prove that bleeding, itching or protruding piles, no matter how chronic or how painful can quickly be ended forever.

Go to W. F. Henning, or Piper Brothers today, hand them a quarter, say "I want a jar of San Cura Ointment" and if you aren't satisfied—your money back.

Yes, and more, use San Cura Ointment for old sores that people say will never heal, for fever sores, for itching skin, eczema, teeter, salt rheum, chapped hands, face or lips, for ulcers, canchures, warts, sore nipples and broken breasts.

It draws out all poison; that's the secret of the wonderful success of San Cura Ointment, that's why it so quickly heals scalds, burns, cuts and bruises without scarring. It's best to use San Cura Soap at all times, it banishes pimples, blackheads and kills the germs of disease. 25 cents. Thompson Medical Co., Titusville, Pa.

Smart Styles For Spring and Summer

In Ladies and To the Woman Who Wants Fashionably Tailored Garments

While our Easter business for men's suits has by far exceeded all the previous year, our ladies department has been over all expectations, which proves absolutely that men and women alike recognize the merit of a perfect hand tailored suit.

I offer in my big class more than that is irresistible. Style that is at once metropolitan and in the best of taste.

Fit that is perfect, for I use the best designing and fitting system available.

Quality that is far above the average, for I use only the finest imported and domestic fabrics.

Price that will pleasantly surprise you by its moderation.

The Clothes I make for men are just as good in their way as my tailored garments for women.

WOMAN A GREAT SUFFERER

Tells How She Was Restored To Health by Lydia E. Pinkham's Vegetable Compound.

Grayville, Ill.--"I was a great sufferer of female complaints for a year and I got nothing that helped me until I began taking Lydia E. Pinkham's Vegetable Compound. I was irregular and had cramps so bad that I had to go to bed. Now I have better health than I have had for years and I cannot speak too highly of your medicine."--Mrs. JESSIE SCHAAER, 413 Main St., Grayville, Ill.

Case of Mrs. Tully.

Chicago, Ill.--"I take pleasure in writing to thank you for what Lydia E. Pinkham's Vegetable Compound has done for me. I suffered with such awful periodic pains, and had a displacement, and received no benefit from the doctors. I was advised to take Lydia E. Pinkham's Vegetable Compound, and am now as well as ever."--Mrs. WILLIAM TULLY, 2052 Ogden Avenue, Chicago, Ill.

If you have the slightest doubt that Lydia E. Pinkham's Vegetable Compound will help you, write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass., for advice. Your letter will be opened, read and answered by a woman, and held in strict confidence.
